DIRECTIONS:

From the Silverado Trail take Highway 128 - Sage Canyon Road - EAST toward Lake Hennessey. Drive approximately 3.5 miles; you will see a boat launch & parking lot on the left. Across from the parking lot are three driveways. Turn right at the THIRD driveway #1581, there will be several LARGE boulders and row of silver mailboxes with "PRITCHARD HILL" written on the side. Proceed uphill for 1.5 miles. Follow signs for "CHAPPELLET" and then stay left at the fork following signs to "WINERY".

NOTE: FOR YOUR SAFETY:

Turn on headlights for drive up hill. Please do not exceed 15MPH. This is a narrow winding road and you will meet traffic coming down hill including large delivery trucks and possibly construction vehicles, tractors etc. Large vehicle traffic has Right-of-Way so do not expect a truck heading down hill to stop. Instead pull off the road as far as possible and allow the vehicle to pass. We look forward to your safe arrival.
