

## CHAPPELLET

*The Chappellet family is notably one of the key families that has helped shaped the American wine industry for over the last five decades. Pioneers in high-elevation planting, they have helped give recognition to Pritchard Hill, an area of Napa Valley known for producing some of the world's best Cabernet Sauvignon. Their unwavering commitment solidifies them as one of Napa's last great family-owned wineries, with recent perfect 100-point on their 2012 and 2016 Pritchard Hill Cabernet Sauvignon. Each Chappellet bottle embodies not just exceptional wine, but a legacy of innovation and influence, defining greatness in American winemaking.*
