

CHAPPELLET

THE ULTIMATE EXPRESSION OF TERROIR

Pritchard Hill epitomizes Napa Valley's finest vineyards. This terroir, shaped by millennia of volcanic activity and erosion, yields compact berries and intense flavors from vines clinging to rocky, sun-drenched slopes.

Chappellet's operations are spearheaded by winemakers Phillip Titus and Ry Richards, alongside vineyard manager Andrew Opatz. This team is equipped with a profound understanding of this unique landscape — one that could only come from a collective five decades of stewardship. Their expertise guides the meticulous selection of fruit and the artful blending process, resulting in wines that encapsulate the essence of Pritchard Hill.

Our flagship bottling, Pritchard Hill Cabernet Sauvignon, has been celebrated with multiple perfect scores and critical acclaim and showcases the terroir's complexity through layers of flavor that linger indefinitely. This wine proudly stands as one of the world's finest Cabernet Sauvignons.

These wines, our opus, represent the culmination of our craftsmanship and expertise, delivering unparalleled depth and elegance — a true testament to the essence of Pritchard Hill.
